

CURRICULUM VITAE

BARRY ALAN SITKOFF, D.C.

EXPERIENCE

July 2000 to February 2002 Camber Clinics Southeast, LLC Corporate Office: Tampa, Florida Clinic Director for East Orlando and Kissimmee Locations/Chairperson for Florida Divisions Quality Review Committee

- In charge of overseeing daily operations for two busy Orlando area Clinics specializing in the treatment of personal injury patients utilizing multidisciplinary approach.
- Responsible for Clinical Management as well as treatment of all patients at the above mentioned clinics.
- Responsible for radiographing all patients at the above mentioned clinics.
- Chiropractic techniques utilized include: Diversified, Cox Flexion-Distraction, Activator, SOT, NIMMO, and PFS/PIR Stretching protocol.
- Responsible for daily operations of Camber Clinics Southeast Division Quality Review Committee. This includes selecting patient files for review and addressing issues such as over utilization, under utilization, adherence to national clinical standards in regards to treatment protocol and documentation, as well as ensuring that the channels of communication among treating physicians are utilized to the fullest possible extent.

December 1999 to May 2000 Chiropractic To Go LLC Fort Myers, Florida Owner/Chiropractic Physician

- Developed, organized and operated this innovative health care concept. This company uses the finest portable equipment available to bring Chiropractic care to the patient in their home or office. The benefits built into this type of practice are low overhead, added patient comfort and convenience, and the ability to reach patients that may not necessarily seek

Chiropractic care due to busy schedules or the inability to leave the home.

August 1998 to Sept 1999 Comprehensive Health Care of the Palm Beaches West Palm Beach, Florida Chiropractic Extern

- Performed new patient physical exams, shot x-rays, and treated patients in order to fulfill the State of Florida externship requirement.

April 1997 to February 1998 New York Chiropractic College Outpatient Health Center Levittown, New York Chiropractic Intern

- Treatment of chiropractic patients with a variety of conditions utilizing techniques including Diversified Chiropractic Manipulative Therapy, Flexion Distraction, SOT, Manual Soft Tissue Massage, NIMMO Technique, Adjunctive Therapies, PFS/PIR Stretching, and Rehabilitative Exercises. Responsible for all documentation and shooting x-rays on new patients assigned to me.
- Volunteer work with the Salvation Army Outreach Program. In brief, this outreach program is responsible for providing free Chiropractic care for those who so desperately need it, but cannot afford to pay. Service here includes performing treatment on patients with conditions such as Ankylosing Spondylitis, Parkinson's disease, Down's syndrome, and Post CVI Syndrome.
